Sign-up to our free e-newsletter at www.marineinsurance-ircm.co.uk and receive regular updates on all the insurance & risk management news relevant to your Club.

We will also provide you with free Health & Safety briefings as well as Employment Law updates in addition to a free set of IRCM Risk Management templates.

International is the new insurance programme for Rowing Clubs. Built within it's comprehensive cover are sections for your Boats and Property that are tailored to your specific requirements.

Designed *by* rowers *for* rowers, the programme is supported by an infrastructure that enables you to act quickly in the event of a claim and get your boat repaired or replaced as soon as possible so you can continue to compete.

Your benefits include:

- **Comprehensive insurance cover for your Club buildings, pontoons, trophies and other contents.**
- **Full protection for your Club & private vessels, including low-cost new-for-old cover for additional security.**
- **Immediate repair/replacement authority for your Club's racing craft in the event of a claim.**
- **You can use a repairer of your choice whom you know and trust and who has the right facilities to ensure your craft are repaired correctly to maintain performance.**
- **Competitive premiums delivering maximum value.**

Your programme is fully supported by an in-house team of experienced club insurance underwriters and claims handlers. You will also benefit from director-level access 24/7 in the event that you require specialist assistance.
